Keep Your Revenue Moving: WIPS

2020-04-02 - Steve Groetken - Comments (0) - General

Work Your WIPs to Find Money

During the time of this stop-movement order, collecting all available revenue will become even more critical. We are going to continue to share ideas for how our customers can collect all the revenue possible, but today we are starting with some of the low-hanging fruit: handling Work-In-Progress requests for information, or WIPs for short. Read more [here](#).
